The West Vancouver Community Centres Society (WVCCS) is a not-for-profit Society that is governed by community members. The Society provides oversight and management to the Community Centre and Aquatic Centre through a Joint Operating Agreement with the District of West Vancouver. The minimal administrative costs of the Society support our ability to communicate with our members and the public, raise funds for other needed projects and equipment, and establish new programs and events

The WVCCS membership model has been revised and a Society membership is now **required** in order to register for...
