Enhance West Van is continuing to support and fund COVID-19 emergency response initiatives in the community.

One of the initiatives currently underway offers food security by providing grocery gift cards to youth and families in need through the District's Youth Outreach team.

We rely on your generous donations to help us continue this great work!

### **HOW YOU CAN HELP!**

If you are looking for a way to give back during these unsettling times, please support this food security initiative by donating to Enhance West Van.

**Donate today by calling 604-921-3493 or emailing...**
