Thank you to everyone who came out and supported the Enhance West Van Pancakes & Pumpkin Patch event on Sunday, October 17. The event was a huge success and we loved seeing the community back together again for some fall family fun!

Enhance West Van would like to thank all the attending community members for staying local and supporting our community. We would also like to thank all our amazing event volunteers and generous sponsors. We could not have done this without you!

We look forward to seeing you at the Enhance West Van Pumpkin Patch next year.

Looking for a great gift idea? This holiday season, why not give the gift of community by purchasing an Enhance West Van brick on behalf of a friend or family member.

The personalized engraved bricks will be installed in the plaza at the south entrance of the West Vancouver Community Centre. Your gift recipient will get to see the brick every time they visit. It's definitely a unique gift!

Funds raised from brick sales are invested in enhanced programming and equipment, helping to build community and maintain our community centre as a welcoming place for all.
