Enhance West Van is looking forward to the many exciting programs and services being offered at the Community Centre in 2020!

In 2019, we launched our new brand, Enhance West Van, which has been well received by the community and our membership at large. With a new name and a new look, we are hoping that more people in our community will now recognize all of the great work that our society is doing to make your community centre even better!

Our volunteer board of directors will continue to focus on actively engaging with the users of the centres to ensure that the community has a voice in all that takes place here. We will also strive to grow our fundraising so that we can continue to offer enhanced programs and services at the Community Centre.

If you are interested in getting involved in the work that Enhance West Van is doing or would

like to make a donation to support the great work of the society, please get in touch with our Executive Director, Jodi Weiderick.

All the best in 2020,

Rick Verjee, Board Chair
